RTOWA MUMBAI/CORR/2020/

DATED 27th July '2020

To
Smt. L. Ailawadi
Additional Director
CGHS Mumbai

Respected Madam,

SUB :- Request for reimbursement of local purchase of medicines and expenses on Diagnosis (Testing) at non panelled centres without reference from Wellness Centres

RTOWA is very much thankful for allowing local purchase of medicines from the local market without reference during Covid19 lockdown till 31/07/2020. The situation in Mumbai is worsening day by day with an increase in Covid19 cases. There is no let up in situations for unlock to take place in the immediate future. **We request that the local purchase shall be allowed till the situation is under control and there is decline in Covid19.**

Further Senior Citizens are faced with difficulties in carrying out testing which they are required to do at regular intervals and/or to take tests as per the discretion of Physicians / Consultants due to restrictions imposed on transportation and thus free movements. Considering these hardships in movements and presence of Containment zones it is **requested that testing may be allowed for regular periodical requirements and also in critical cases without taking reference from Wellness Centre as it is being done in case of purchase of medicines till the normalcy is restored on fully lifting the lock down.**

With high regards,

Yours Sincerely,

(J.S. YADAV)
Joint General Secretary
RTOWA Mumbai.
