Respected Sir,

Kindly recall the discussions we had on 23/11/2022 regarding relocation of wellness centres. During the discussions It was assured by you that on vacating the Belapur wellness Centre due to civil work etc., it will be shifted to a more accessible place near Belapur Railway station. Now it is learnt that the Belapur wellness centre will be closed on 07/01/2023 but it will not be relocated anywhere immediately. Thousands of pensioners who are attached to this wellness centre are disappointed as they will be put into extreme inconveniences to avail the medical facilities.

Therefore our Association requests you to immediately stop the process of closing the wellness centre even if the proposed closure is temporary. If at all it is necessary to vacate the present premises, it is requested to make alternative arrangement to shift the wellness centre to an easy access location at Belapur before vacating the existing site.

With high regards,

Yours Sincerely,

General Secretary
