Email dated

Dated 4rd May'2023

To

Shri. Anil Prataprao Salunke,

CCA Mumbai

Respected Sir,

Sub:-Request to cause to refund the wrong deduction from the pension of Apr'2023

Requested to refer to this Association's letter dated 03rd May'23 in which the issue of wrong deduction of heavy amount of TDS relating to FYE 31/03/23 was raised. It is again reiterated that the TDS pertaining to a financial year, even if it is short deducted, cannot be deducted by the DDO in the next financial year.

Now the calculations of Tax for the FY 2022-23 in a few cases of grievances reveal that there is no short deduction of Tax, be it New Regime or Old Regime. The Pension slip for Feb'23 clearly shows that the whole amount of Tax for the year has been deducted by Feb'23 itself. There is no short deduction. The following cases are cited as examples.

Name	Staff No.	Projected Tax For 22-23 Rs.	Deducted Tax For 22-23 Rs.	Wrong deduction in Apr'23 Rs.
S/Shri/Smt				
L.. R. Gupta	76712	38054	38050	12057
R.G. Thanawala	71739	46774	46770	15595
G.Govindarajan	71489	46032	46030	15346
A.R. Jagdale	76143	94184	94190	14443
P. Narayanan	76812	63398	66000	12110

Thus there is no short deduction of TDS in the FY 22-23. The wrong deduction of huge amount has been made from more than 100 pensioners in their pension for Apr'23.

Therefore it is requested to cause to refund the wrongly deducted TDS pertaining to 22-23 from the pension of Apr'23 to all the affected pensioners.

With regards,

Yours Sincerely,

General Secretary
RTOWA Mumbai

Copy to Ms. Vandana Gupta Pr.CCA with a request to cause to refund the wrongly deducted amount.
