**2nd phase of Agitational Programme**

Dear comrades,

We congratulate all our leaders, activists and members who successfully conducted the 1<sup>st</sup> phase of agitation "call attention day" by holding demonstration throughout the country on 19/12/2022.

Suggestions have come from some field units to slightly modify the programme of 2<sup>nd</sup> phase due to some difficulties including severe cold in entire north India.

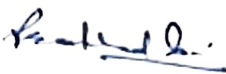

Taking into consideration of those suggestions, it is now decided as follows:

**On 17<sup>th</sup> & 18<sup>th</sup> January 2023, Dharna shall be from 1000 hrs to 1400 hrs before CCA offices and SSA headquarters. Hold powerful demonstration at the beginning and at the end. Please submit the attached memorandum to CCA, signed by one representative (GS/CS, if available) by the participating associations.**

Yours fraternally,
