Memorandum

(Through Pr. CCA Mumbai / CCA Maharashtra Circle Mumbai)

Sub:- Agitation for Pension Revision as per 7th CPC fitment by BSNL/MTNL pensioners

Respected Sir,

We have been demanding pension revision from 01/01/2017 for BSNL/MTNL retirees who opted for Government pension scheme on combined service, on the basis of fitment factor recommended by 7th CPC. Due justifications were also submitted. DoT did not even send our proposal to the nodal agency viz., DoP&PW for it's consideration.

We demand that, to arrive at revised pension, the existing basic pension on IDA as on 01/1/2017 be multiplied by 2.515 factor for pre-2017 retirees. To avoid pension anomaly to those who retired after 01/01/2017, in the absence of pay revision, the basic pension on IDA of those retirees also be multiplied by the same 2.515 factor.

As per the joint call given by the 6 Associations including ours, we have conducted Dharna today (17/01/2023) at MTNL Telephone House, Dadar W Mumbai. This Dharna will be continued tomorrow too. Pensioners of MTNL and BSNL have participated en-masse in the Dharna insisting for Pension Revision. We submit this memorandum with a request to send our proposal to DoP&PW for it's consideration.

With high regards,

(J.S. YADAV).
