dated Dated 19<sup>th</sup> March'25

CCA Mumbai.

Sub:- Requesting NO TDS from the pension for March'2025

Respected Sir,

March pension is taken as the first month of income of the financial year 2025-2026. We request that TDS for 2025-26 should not be recovered from the pension for Mar'25 as well as from the subsequent months until the orders are received for increase in the tax free limit and revised rates of tax.

We also request that short deducted TDS for 2024-25 if any too should not be recovered after Feb'25. The reason being, a few pensioners may opt for new regime while filing the returns, or may be having eligible savings but not intimated to AO PDA or not considered by CCA office. During the last couple of years short TDS for the previous year was recovered from the pension of March but in many cases AO PDA had to refund them.

So we request that Tax should not be recovered from the pension for Mar'25 regardless of TDS 2025-26 or short TDS 2024-25. Pensioners will be relieved of botheration of excess recovery of TDS if March pension is kept as TDS free.

**With high regards,**

Yours Sincerely,

(J.S.Yadav)

General Secretary
